LET US PLAN YOUR DREAM EVENT

*Congratulations! You are Engaged!*

And now you are headed to start your journey towards planning that wonderful flawless wedding day that will blow your guest's mind away!

**That's where we come in!**

Trust us, we understand how overwhelming it can be to plan your BIG day, the one you have dreamt of all your life. Wouldn't it be great to have your best partner in crime to do it for? We are that partner and friend that you can rely on. With years of experience, loads of information presented to you in an organized way, and all the calm and patience in the world to deal with the nerves your near and dear may thrust upon you, you will be happy to choose us for your BIG day.

**Our Packages and Services**

***Full Wedding Planning and Decor Services Package***

A no headache one flat fee package to take care of all your wedding planning and decor needs for all your events. This package includes all the individual services mentioned below for all the functions being held as part of the wedding. The wedding planner will help the couple every step of the way to ensure their planning journey is totally stress-free and enjoyable. We use the state-of-the-art software to ensure all the planning is organized, stress free and you enjoy being a part of the entire journey without the stress.

In addition, we partner with vendors that are the best in their field and offer special discounts to our clients.
